Below is a compilation of letters received over the last few years since the LORD called me to walk away from the world to work for HIM... I decided to release these letters I collected because I can't impress enough on people the importance of sharing the Words I received from GOD to warn and encourage the people. This ministry and all that it is about is so much bigger than the frail humans behind the scenes. If you had a cure for cancer, you would want to spread it out wide and far, and that's how I feel about these messages. They are life-saving and life-giving from the heart of GOD. No human being planned this ministry and no human being could inspire the hearts of the readers like GOD HIMSELF. If you are inspired by these readers' letters and would like to read these same books, go to this website and you can find these books and other books given freely by other authors who hear from GOD. All the Ebooks and other materials on end times and intimacy with GOD are TOTALLY FREE:

Matthew 7:16-20 (KJV): Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?

17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. 18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. 19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. 20 Wherefore by their fruits ye shall know them.

Read it, highlight it, share it: I recommend that when you read this book, highlight it to look back on it, and share it! I have highlighted more in this Kindle book than any other book I own on Kindle. This book has inspired me to grow closer to the Lord and spend more time with Him. I believe Susan's writings are coming from God because they line up with Scripture. The words are NOT a separate gospel and they do NOT deviate from the truth. God's heart is so tender towards His children and He is even willing to give people that have turned their back on Him a second chance. Deanna, 10/8/12

I really loved reading Marriage Supper of the LAMB by Susan Davis it is a great book to read I will keep reading this book off and on love Caroline B., 7/13/14

A MUST read for all Christians: I recommend this book to ALL persons who claim to be a Christian. It clearly explains that we are STILL called to FAST which produces results in our prayer life. Many things in this book you may not be aware of, but it is all dictated to Susan Davis during a 40 day fast which is rarely done, by our Savior, Jesus Christ. My favorite part was when He tells us about HEAVEN! SO EXCITING. And SO worth any sacrifices you will need to make to be worthy of living in God's presence. Keep an open mind for things you haven't heard in church and you will enjoy learning the revelation knowledge Jesus gave to Susan in this book. Jeannie H., 11/14/14

Right next to my Bible; a daily read! Most Anointed piece I have ever, ever read. My brand, new copy is now dog-eared! M. Alexander, 8/4/14

Wow, A MUST read--From the heart of God! Especially the first half confirming the love he has for us and the deception most people are under. The once saved, always saved and hyper Grace teacher's want to read since it confirms this teaching is a deception and also uses scripture to show the slippery slope so very many are on. Written in a loving way, thus, from the heart of God. Whether you are pre, mid, or post trib, as she seals with this at end, it doesn't matter, just read this book and search your heart. Jenn, 7/2/14

I love it! Amazing praise the Lord and can't beat the price. Can actually be found free on the site. Amazing word from the Lord. Encouraging. MM, 6/24/14

Keep it forever: I have always wanted to hear or see something written about the important differences between what the world offers and the most precious offer of life everlasting through Jesus Christ. This anointed book will help anyone who wants to follow God more closely. There are scriptures that say we should not be a friend of the this world, or love what it offers to us, and in this book the Lord Himself explains it so very well. I will keep this book, and read it every once in awhile to keep myself grounded in the solid rock, which is Jesus Christ, the Lord. It also makes me sad that many, even Christians, will not be accounted worthy to escape the most evil reign this world has ever seen or ever will see. Onlytruth4me, 6/3/14

Love, Love, Love the book: I have read Marriage Supper of the Lamb. It is one of the most anointed books I have ever read. The chapters cover such topics as forgiveness, humility, preparing for what is coming in the world, and the Great Banquet. When one reads the words there is no doubt a higher power dictated these words. I personally know Susan Davis and she is one of the most honest, humble, giving, brilliant and passionate people working for the Lord that I have ever met. As an RN of 30 years I visited her weekly during her fast. She never had any illnesses related to her fast and was completely intact physically, mentally and spiritually at the conclusion of her 40 days of water and juice fast. Kudos to Susan for enduring to the end and for having received the amazing words in the Marriage Supper book. The book has been or is in the process of being translated into 10 languages from Romanian to Indonesian, Rwandan, Chinese, French, Spanish, etc. The international community recognizes this work as a leading written instruction booklet and encouragement in these end times and each translation has completely been done by volunteers who want to identify with the fine work by Susan and the connection to the Lord. Well done good and faithful servant for the Lord. HIS daughter, 9/10/14 Thank You Dina & Susan for always speaking Biblical truth! I always thank God for bringing You

Susan and You Dina into my life! Praise His Holy name!

My Favorite chapter in this book is about humbleness and love!!! - I have so much to learn about it so i study about it almost every night before i sleep! In hope God will help me to be more humble and loving Because it is a beautiful think to be and My role model is JESUS so i tray to compare and measure myself up with Him.

Dear Curtis (Minister Curtis Roach, Host of the Watchman Radio Show in London, UK) thank you for the message, and for Susan Davis. I have to say I have read a couple of Susan's books, and believe you me they put things into perspective about the times we are living in. Just look at what has been happening over the last 2 weeks. The Typhoon in the Philippines, the recent hurricane in America, and just yesterday the cyclone that hit Italy. The country is now in a state of emergency. The levels of these disasters are becoming more and more intense. Who says that Jesus isn't coming soon. The handwriting is all over the wall: Radio Interview: <https://www.youtube.com/watch?v=mNW0TyR1YKI&feature=youtu.be>

Hi.. Susan I have finished reading your posts. thank you for writing it for us. Before reading your article, I was told by the Holy Spirit that marks the coming of Jesus to two times already evident. God says all the disasters that occurred in my country is to warn My children that they may repent and leave this world charm. After that I asked is there someone else who got the same message of God? And the Holy Spirit led me to read posts that you create. God bless and pray for us in Indonesia. Letter to Minister Curtis Roach regarding radio interview with Susan: Hi Curtis, thank you so much for bringing us Susan Davis and for the work you do for our Lord Jesus Christ. I would like

to recommend Susan's books, thanks to her writings I am seriously focusing on having a relationship with the Father. Let's read the bible more, let's give Him all the glory for every little event in our lives, let us wake up 2 hours earlier before work and make Him our number ONE as it is our first commandment. iPhone and social media have become people's god. They are addicted, they cannot live without them. These are tools given by the enemy to keep us "entertained and distracted". Well said about giving Him our "left over time." God MUST be our number one priority always. He is still patient and merciful but once the time is up IT IS UP! God is knocking on people's hearts these days. Don't ignore Him. Olga A., 2015

Dear Sister Susan Davis, I have received your lovely message with great happiness. God bless you for your very important message. The grace of our LORD JESUS CHRIST be with you. K.

Good show ladies

I really loved reading this book a lot. It is a great book to read on JESUS.. I really enjoyed reading this book on JESUS....Caroline, 6/14

If you understand and can "hear" God's Voice, you will not want to miss this book dictated to Susan from Him in the last year. With eyes of Faith you can understand God's love for each of His children and especially His Bride. The time has arrived for the "wedding" to His Son. This book tells us exactly what is required to be His Bride. Let there be no doubt, Christ is coming for His Bride soon. Don't be left behind.....William, 5/20/13

BRIDE OF CHRIST PREPARE NOW

If you're interested in going to Heaven this is a must read! Incredible.....absolutely loved this book and all her other books along with Hell's Testimonies by Mike Peralta. A must read for all if you want to be heaven bound. Time is short and these books will get you on the right track. They changed my life for sure! CLG, 10/28/14

Read this cover to cover; no time to lose; Jesus is Coming! More details are given in Susan's conversations with Jesus. Further warnings, about how we need to honestly examine ourselves as the Rapture approaches. Our Lord Jesus will not take the unrepentant, those with unforgiveness in their hearts, the dangers of pride, arrogance and self-righteousness, these are sins, too, The need for humility and total surrender to Jesus. Many other important points born again Christians need to consider in preparing and truly being ready! There are 64 chapters; all of these contain surprising things, many of us may have missed. You need this important dictated document from the Lord Himself. There will be ONLY ONE Rapture, if you miss it; the consequences will be beyond imagination; many people will be lost forever. 10/15/14

A must-read for people who think they are saved: For anyone that thinks they are saved and ready, this is a must read. It's a very sobering message and revelation about the Lord's requirements to be ready. God's word says to work out our salvation with fear and trembling. If this be the case then the majority of the church are deceived about their salvation and are not ready as they think they are. If you are entangled in the world or the things of this world, read this as a matter of urgency and heed the warning, repent and turn away from desiring the things of this world and seek the Lord earnestly. Thank the Lord for messages like these which just once again shows His Grace towards us!

Also regarding the Title, Even though the Title is called 'Rapture or Tribulation', this is not the core message of this book and having ready it I am of the opinion that it's not trying at all to make a statement that the Rapture is before the Tribulation even though it might appear that way. There are strong messages that there will be great trouble after the Day of the Lord, but doesn't dismiss that there won't be any trouble before the day of the Lord. The core message is to turn back to the Lord, repent and make yourself ready for His return. This is stressed over and over. For anyone that thinks they are saved and ready, this is a must read. My heart is full: This book made my heart full to hear how our LORD and Savior pleads for his church to get right and prepare for his coming. I had to read it twice it was so compelling. I know personally that I intend to fully follow his instructions, hoping and praying that I am found worthy when he arrives. Great read! Jetta 55, 9/4/13

IN LOVE WITH THE WHIRLWIND

This book is wonderful because it is written by an ordinary real woman who experiences the supernatural God! For someone who is not from a "Charismatic" background this is huge because the author does not confine God to a pre-determined box; she allows God to be God. And in doing so, she shares the wonder, the miracles and the love of God with us. The Book is also full of Scripture and encouragement to be ready for the soon coming of Christ. Read it and join the adventure! Princess, 2/11/10

I love the book—GOD is awesome: This book is amazing and shows how God is in our lives everyday. Susan shows how God is involved with us and how much He desires a relationship with us and loves us. Jesus is coming very soon for His bride (church) and I would highly recommend this wonderful book if you want to be closer to the Lord. Thank you Susan for sharing the many wonderful ways how God is with us and loves us. Buddy, 4/7/10

Now my love for JESUS CHRIST is not like before. I love Him more than ever and long for Him every day. I wanna know more about Him. I want that He becomes my Best friend as I sang when I was a lukewarm. I just want to be close to Him and won't leave Him anymore for this world. I pray every day, read the Bible every day and listen to the sermons (from your conference about The End

Shalom Esher – in the name of the Beloved, This devotional has affected my life so deeply words cannot say. Thank you – for putting your years of time with Him on paper – so those of us who long to peer into His heart more deeply have access to the revelation He has given you, and in turn us! Hallelujah! Through the S of S my walk with Him has been transformed, and continues to be. No other book has affected me the way this gift has. May the Lord continue to bless you more and more in the reality of His unfailing love. Shalom in Y’shua, Brandy

Dear Esher, What a book, far more appealing, interesting, explanatory, revealing, captivating and stirring than any spiritual book I've read. I've just started to read this book very slowly, taking time to feel the heart of Jesus for me, relishing and delighting in that feeling and letting it have its effect on me to make me desire to do His will for His good pleasure. I've been teaching men and women little thoughts from the book and they end up staring at me with so much more understanding of the love Jesus has for them. Where it has been difficult to get them to move for evangelism, just sharing the thoughts from this book has caused them to want to move. May God bless you abundantly for sending me this book and those that are on the way. Sold out for Jesus, Helga

Dear Esher, Thanks so much for this wonderful devotional! I have been blessed beyond measure! I have been spending time with the Lover of my soul like I have never done before or even knew I could. I have been a believer for over 25 years and have always spent time in discipleship classes and personal studies. I have continually tried to put into practice what I have learned. This devotional is far more than what I expected. I have been taken to the most intimate relationship with my Lord! It has given me confidence to really know who I am in Christ. I look forward to sharing this book with my friends and whoever will listen. I am requesting a copy for my daughter-in-law and her mother. I can't wait to hear and see the change in their lives as they pursue Him with this wonderful life changing experience. Thank you and God bless you. Linda

Good morning Esher! I want to take time to let you know how much the Holy Spirit has spoken to me through this devotion guide! I have been hungrily working my way through it since March! I can tell you, I feel the presence of the Holy Spirit as I study and look up each verse!! I have learned a deeper and deeper understanding of who Jesus is and how MUCH He loves and cherishes me! I have such a fervency to serve Him as I have never had before. I now want to start having study sessions with my three teenage daughters. They have seen the change in me and they are hungry to learn who Jesus is on a more intimate level. God richly bless you!

Walking in the Miraculous with a Miracle God - Testimonies

DINA KALMETA AND SUSAN DAVIS, WILL PROVE TO BE EXCITING AS WE ARE GOING TO TALK ABOUT THE AMAZING MIRACLES GOD HAS PERFORMED FROM HEALING CANCER TO DIVINE APPOINTMENTS TO REACHING THE YOUTH IN JUVENILE DETENTION CENTERS AND SO MUCH MORE...NOTHING IS IMPOSSIBLE FOR OUR GOD. OUR GOD IS STILL IN THE MIRACLE BUSINESS, HE IS THE SAME GOD, YESTERDAY—TODAY—FOREVER. IF HE DID IT IN ANCIENT TIMES, HE CAN STILL PERFORM IT TODAY! TODAY'S CHURCHES DON'T TALK ABOUT THE MIRACULOUS VERY MUCH BECAUSE THEY HAVE LOST TOUCH WITH THE HOLY SPIRIT, BUT HE CAN STILL BE FOUND IN THE HEARTS OF THOSE WHO PURSUE HIM.

-I'm starting another group study with this video series next Friday (August 25) with a new class of 40 people. Had to close the group because I can't fit any more people in my house. The Many Facets of Religious Spirits-Testimonies

SUSAN DAVIS AND DINA KALMETA TACKLE THE VERY INTENSE TOPIC OF RELIGIOUS SPIRITS AND THEIR MANY FACETS. MANY CHURCHES RIGHT NOW ARE NOT TALKING ABOUT THIS VERY IMPORTANT TOPIC. DISCUSSION WILL FOCUS ON HOW WE CAN DETECT RELIGIOUS SPIRITS IN THE CHURCHES AND HOW TO DEAL WITH THEM. JESUS ENCOUNTERED MANY RELIGIOUS SPIRITS DURING HIS TIME ON EARTH AND ALTHOUGH THE LEADERS OF THAT TIME ARE NO LONGER ALIVE, THE RELIGIOUS SPIRITS STILL ARE AROUND, SO IT'S IMPORTANT WE KNOW HOW TO NOT ENTERTAIN THEM AND HOW TO DETECT THEM. LEARN WHAT NECROMANCING IS AND WHY IT IS TOXIC AND DANGEROUS TO YOUR WALK WITH CHRIST AND YOUR ETERNITY. ALSO HEAR HOW TECHNOLOGY IS NOW ENCOURAGING TO TALK TO YOUR DEAD LOVED ONES AND HOW THIS IS AN ABOMINATION IN THE WORD OF GOD. LEARN THE DIFFERENCE BETWEEN THE ENEMIES PERFECTION AND GOD'S PERFECTION.

Testimonies

-This is an amazing topic, I'll wait patiently for part two. Thank you Dina. We perish because we lack the knowledge of God and an understanding on how the devil works to destroy our relationship with the Lord

-Glory to God. Excellent discussion. I count it a blessing.

-Thank you Susan and Dina, I have learned much on this video. the Lord delivered me from

multiple addictions over a couple of years. He also took me out of a lukewarm church .I don't have all the answers, but I'm still learning.

-Good Teaching!

-Really enjoyed this video series. God bless you sisters.

THIS IS THE MOST IMPORTANT TOPIC OF YOUR LIFE, IN THIS LIFE AND THE NEXT. DO YOU KNOW GOD, DO YOU WANT TO KNOW GOD, AND WHERE WILL YOU SPEND YOUR ETERNITY? IF YOU HAVE NOT TAKEN SPIRITUAL INVENTORY OF YOUR LIFE, THERE IS NO BETTER TIME THAN NOW, IN THESE END TIMES. THE LORD MAKES IT CLEAR IN THE BIBLE THAT INTIMACY IS KEY TO KNOWING AND BEING IN GOD'S WILL—WHAT CAN YOU DO TO BE INTIMATE WITH GOD? IS HE YOUR FIRST LOVE? Heaven Researched-Testimonies

Susan discusses a project she embarked on several years ago when she became interested in reading several different accounts of heaven people had whether through visions, out-of-body experiences or near-death experiences. Susan started to notice specific trends in many of the testimonies of heaven that were in the details of what they saw. Although not connected, several spoke of the same unique details of what they witnessed of heaven leading her to believe what they saw was most likely accurate. In this series on heaven, we are going to discuss the amazing findings of what people saw of heaven and you are going to want to learn more about the life to come in heaven.

EVIDENCE in the Old Testament CONFIRMS the Pre-Tribulation Rapture-Testimonies

JOIN SUSAN DAVIS AND DINA KALMETA AS THEY EXPLORE HOW THE BIBLE CONFIRMS PRE-TRIBULATION RAPTURE THROUGH ANCIENT WRITINGS IN ISAIAH.

Testimonies

-Thank you SO much for this study. It is SO helpful. I have always believed in a pre-trib rapture, but it really helps to have this Biblical evidence to show to those who believe in mid or post or no rapture at all.

-I love the video keep up the good work

-I like this bible study. We have proofs that God's words keep fulfilling these last days.

-Good stuff. God stuff. Amen

-Thank you. So many judgmental people on here who will only believe in post trib and rail against pre trib believers this morning in prayer I asked the Lord for a clear revelation to show me in clear words that my belief is correct. Then I find this. Thank you

-Excellent. Well done Dina & friend. One day at church I said to the Pastor, why don't you read the book of revelations? He said I don't want to scare my congregation. I left the church.

-Thank you for sharing Dina and Susan. God bless you Sisters

-Thank you Dina and Susan, for a very enlightening conversation!

-Thank you for sharing your explanation. Very good.

Stock Up on Spiritual Bread-Testimonies

We are looking at the perfect storm of famine coming now: when GOD-made events and man-made events come together to create the coming of the Third Seal in Revelation: Famine. As a Christian, do you need to worry about what lies directly ahead? Not unless you have not stocked up on SPIRITUAL BREAD. If you are packing food away in your basements and pantries, but have NOT focused on acquiring SPIRITUAL BREAD, you may actually need the food in your basement and pantries. But if you have connected to the BREAD OF LIFE, JESUS CHRIST, THROUGH A FULL SURRENDER and an INTIMATE RELATIONSHIP WITH HIM—then your OIL LAMP WOULD BE FULL and you are making the preparations that are WAY MORE IMPORTANT than how much food you can store away.

Testimonies

- This is 100 % true the time is upon us we need to pray now more than ever
- Wonderful message! Shared. Maranatha!

Wow the majority of this statement is true. The eternal life in Hell Doctrine is Pagan. The Lake of Fire where death and Hades is thrown into includes all the Damned. You are burnt to ashes if you are damned with the fallen angels. And you don't get to go into eternity. Stop frizz spreading false doctrines. Pray about this. With the just holy God send people to a place of Torment forever. For a lifespan of 80 to 120 years. If you don't say no question your faith.

thank-you for you work Brother. Yes, without a shadow of a doubt, Yahshua is on is way . Keep looking up! :)

Thankyou for posting this. We all need to re-surrender even if we have already. It is so easy to slip. We need to make sure we are walking with Jesus 110 percent.

Hi Curtis, thank you so much for bringing us Susan Davis and for the work you do for our Lord Jesus Christ.

I would like to recommend Susan's books, thanks to her writings I am seriously focusing on having a relationship with the Father. Let's read the bible more, let's give Him all the glory for every little event in our lives, let us wake up 2 hours earlier before work and make Him our number ONE as it is our first commandment. iPhone and social media have become people's god. They are addicted, they cannot live without them. These are tools given by the enemy to keep us "entertained and distracted". Well said about giving Him our "left over" time. God MUST be our number one priority always. He is still patient and merciful but once the time is up IT IS UP! God is knocking on people's hearts these days. Don't ignore Him.

BYE BYE BABYLON!

Then suddenly, a mighty angel picked up a boulder shaped like a huge Mill Stone, and threw it into The Atlantic Ocean,
and cried mightily with a loud voice saying!! Just as I have thrown away this stone, the great city of Babylon will be thrown down with violence, and shall never be found again!!! *The Book Of Revelation, Chapter 18 verse 21*

the sooner the better

hey, do you have the Susan Davis letter written in letter form?

Amen Amen For salvation, people just need to follow the way they did it in Acts? They were baptized in water and the spirit. Here's why! The gospel is the death, burial and resurrection of Jesus Christ. If we are to follow him, we must do the same thing. Death= repentance, Burial = baptism, and resurrection = being filled and rising again from the dead. That's what Acts [2:38](#) is. We can't come up with our own plan. Our salvation has to match up with the scriptures and no scriptures on the subject can be taken away. Eternity is TOOO long to be WRONG! st John [5:39](#). Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me. The gospels shows what Christ has done on the cross for us. The book of Acts shows us the beginning of Christ's church and how to enter the church, obeying Acts [2:38](#). The letters were written to the church to show us how to behave now that we are born again into the church. It's better to walk alone, than to walk with a crowd going in the wrong direction.

That would be like being hit by a cannonball or stone ballista balls. They would come right through a roof. Jesus is coming very very soon. Please be ready people. Both eyes fixed on Jesus. Call on Him NOW if you are not saved.

[The Watchman Radio Program 25.03.16 - Lord's Letters Special Edition](#)

Wo! I actually looked up into the sky, I can feel He is so close!

Amen.

I'm quite sure that by now, Jesus knows the day and the hour, which will be different for each time zone. So, if He told any ONE person, it would not be so for the next time zone, and the other side of the world would even be a different day. But that just my opinion. Thank you, Minister Roach, for reading these letters given to Susan by our Savior.

Isaiah 53:5, But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes, we are healed. For salvation, people just need to follow the way they did it in Acts? They were baptized in the water and of the spirit. Here's why! The gospel is the death, burial, and resurrection of Jesus Christ. If we are to follow him, we must do the same thing. Death= repentance, Burial = baptism, and resurrection = being filled and

rising again from the dead. That's what Acts [2:38](#) is.

We must obey the gospel, 2 Thessalonians 1:8-9, in flaming fire taking vengeance on them that know not God, and that OBEY NOT THE GOSPEL of our Lord Jesus Christ... Matthew [7:21-23](#), Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of Heaven; but he that DOETH THE WILL OF MY FATHER which is in Heaven. St John 3:3-5, EXCEPT a man be born of WATER AND OF THE SPIRIT, he cannot enter into the kingdom of GOD.

We can't come up with our own gospel. Galatians 1:8-9, But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. Don't be cursed. One way for all people. Jews, Gentiles, and Samaritan. Our salvation has to match-up with the scriptures and no scriptures on the subject can be taken away. Eternity is TOO long to be WRONG! st John [5:39](#), Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.

The gospels show what Christ has done on the cross for us. The book of Acts shows us the beginning of Christ's Church and how to enter the Church, obeying Acts [2:38](#). The letters were written to the Church to show us how to behave now that we are born again into the Church.

It's better to walk alone than to walk with a crowd going in the wrong direction. Are we supposed to follow the teachings of the apostles? Acts [2:42](#). They continued steadfastly in the apostle's doctrines. Ephesians [2:20](#). We are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone. If you believe in this message, help spread it in the name of Jesus Christ. God bless you!
