### **[5.0 out of 5 stars From Jesus to you!](#)**

This is a life-changer. Through Susan, Jesus is letting us know how to focus on Him, His love, and His Holy Spirit, to help us and guide us through these last days, with the goal of rejoining Him, soon! J. Polyanski

### **[5.0 out of 5 stars Required reading for ALL Christians!](#)**

This book is another compilation of messages from Jesus given to Susan Davis. Imagine having this responsibility! The letters from Jesus are always backed up with scripture. I recommend ALL Christians read this book, in whatever format you choose. Jesus said in Daniel, "knowledge would increase." Well, He meant it. Knowledge of all sorts. Use discernment when you read other messages that are not backed up with scripture. Doesn't mean it isn't true, I'm just saying, use Holy Spirit Discernment. Shalom! Jeannie H.

### **[5.0 out of 5 stars My heart is full.](#)**

This book made my heart full to hear how our LORD and Savior pleads for his church to get right and prepare for his coming. I had to read it twice it was so compelling. I know personally that I intend to fully follow his instructions, hoping and praying that I am found worthy when he arrives. Great read! Jetta55

### **[5.0 out of 5 stars AWESOME BOOK!](#)**

What an amazing book!!! Susan Davis is a TRUE Prophet of God and brings Words of warning as well as encouragement in all of her books, but the thing is the Words in THESE books are from God Himself! God is still speaking to His people, He hasn't changed one bit and the rapture references in the book are all backed up with scripture. Just an incredible book. "Heaven"
